Western Covenant University – 2015 School Performance Fact Sheet

Master of Arts in Religion

The following are the definitions for the Performance Fact Sheet.

“Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

“Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

“Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

“On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.

“Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.

“Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

“Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

“Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

STUDENT'S RIGHT TO CANCEL

The student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. To cancel the enrollment agreement, students must submit a written notice of cancellation to the University office.

Students can drop courses from their schedule up to two weeks after the start of the semester without penalty. Refunds will be issued for the full difference in the change in tuition. After the first two weeks of the start of the semester, refunds will be prorated. Classes dropped after the 60% point of the semester are not eligible for refunds and the student will receive a grade of W (withdrawal) on their transcript. To drop a course, students meet with the Registrar to discuss and make changes to their schedule.

Withdrawing from the university may be either voluntary or involuntary. Students who seek voluntary withdrawal must meet with the Registrar and submit a written notice indicating voluntary withdrawal. Students who have registered for the active term may be eligible for a refund. Prior to the start of the term, any tuition paid will be fully refunded. After the first two weeks of the start of the term and up to the 60% point of the term, refunds will be prorated based on the day of the term. After the 60% point, no refunds will be issued and the student will automatically receive a grade of W (withdrawal) on their transcript for their courses. Involuntary withdrawals occur primarily for failing to register for courses for the active semester or for violations of the Student Code of Conduct. Other reasons may apply.

Students who are eligible for a refund will have their refunds processed and issued within five business days.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.
